Gentlemen:

I have in my possession several rare Greek and Bizantin gold coins. The Bizantin coins are of the reign of Emperor Theodosius.

I would be very much obliged to you, if you will let me have the name of persons who might be interested in the purchase of these.

If you would like to examine these coins, I shall be glad to bring them over.

Sinerely yours

Géza Schutz

Dear Sir:

In reply to your favor of Dec. 15th, would say that we might or might not be interested in your gold coins. If you care to bring them to this Museum sometime after January 10th we would be pleased to look at them.

Very truly yours,

Curator
